REQUEST FOR REFUND

Director of the US Patent and Trademark Office
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicant's attorney respectfully requests a refund in the amount of \$620 to be credited to our Deposit Account No. 502305 for the reasons stated below:

1. On August 21, 2003, a final rejection in the above-identified patent application was mailed. (Copy of cover page of final rejection attached as Exhibit A.)
2. On October 13, 2003, applicant filed a Response under 37 CFR §1.116 (to the Office Action Dated August 21, 2003). (Copy of first page of response after final rejection attached as Exhibit B.) The Response under 37 CFR §1.116 was received by the U.S.P.T.O. on October 17, 2003. (Copy of postal return receipt card attached as Exhibit C.) As a result, a Response under 37 CFR §1.116 was filed within two months of the mailing date of the final rejection.
3. On December 16, 2003, the Examiner mailed an Advisory Action Indicating that the Response under 37 CFR §1.116 did not place this application in condition for allowance. (Copy of first page of Advisory Action attached as Exhibit D.)
4. On January 16, 2004, applicant filed an RCE by Express Mail No. EV342471437US. (Copy of return receipt postcard attached as Exhibit E.)

5. A Request for a One Month Extension of Time was included with the RCE, along with our check No. 1564 which included \$110 for the One Month Extension of Time fee. (Copy of the extension of time attached as Exhibit F, copy of check No. 1564 attached as Exhibit G.)

6. Because a Response under 37 CFR §1.116 was mailed within two months of the mailing date of the final rejection, the period for calculating the required extension of time began on December 16, 2003, the mailing date of the Advisory Action. Thus, since the RCE was filed on January 16, 2004, only a one month extension of time was required. Since the RCE included funds for a one month extension of time, no additional extension of time charges were warranted.

7. On February 25, 2004, the PTO charged Deposit Account No. 502305 a fee of \$310 to cover an extension of time for a second month in the above-identified patent application. However, since no extension of time for a second month was required, the \$310 fee was improperly charged to Deposit Account No. 502305. As a result, it is requested that the \$310 fee charged on February 25, 2004 be refunded to Deposit Account No. 502305. (Copy of Deposit Account Statement attached as Exhibit H.)

8. On February 12, 2004, the PTO charged Deposit Account No. 502305 a fee of \$310 to cover an extension of time for a second month in application serial number 09/010,343. Application serial number 09/010,343 was inadvertently typed on the Petition for Extension of Time Form. The correct application serial number for the above-identified patent application is 10/010,343. However, since no extension of time for a second month was required, the \$310 fee was improperly charged to Deposit Account No. 502305. As a result, it is requested that the \$310 fee charged on February 12, 2004 be refunded to Deposit Account No. 502305. (Copy of Deposit Account Statement attached as Exhibit H.)
